

# Equality of Fairness

By Joe Mee

Understanding of equality,  
Fairness for the human race.  
Respect for everyone  
Whether they're black or white,  
Male or female.  
Don't discriminate against my age.  
Respect me and everyone around you  
And treat people as you wish to be treated.  
Don't be mean or judge me,  
Because I understand you.  
I'm not here to bully you  
Or judge you,  
Like I see you judging me  
In my mind.  
Be aware  
And understand the things around you.  
I will not bully you,  
I will not hit you  
And I will respect you.  
Equality is everything.  
So don't judge,  
Get to know  
And use your knowledge to be fair.
