I am qualified in cake decorating and flour confectionery and have been teaching adults in and around Devon for 36 years. As a master baker I am always eager to inspire people in this fascinating craft.

I have a wealth of experience and knowledge including; how to make royal icing, sugar flowers, marzipan, chocolate and also modelling and sugarpaste work. I love to revive techniques I learnt as an apprentice baker & confectioner.

Many students who attended my course have now opened their own cake businesses, however my main focus is that my classes are fun for everyone where learning new skills.

My name is Kristina Coles and I offer Pattern Cutting, Dressmaking and Clothes Designing classes. I am a Fashion & Textiles designer-maker and I produce my own Textiles by hand using various different techniques such as fabric rusting, bleaching, hand dyeing and silk painting and many more. I am extremely passionate about constructing and making fabric and garments to the highest possible quality, I hope they will be loved and cherished for years to come. I strongly believe in traditional skills and craftsmanship because everyone deserves to look as unique on the outside as they feel on the inside. That is why I chose to share my skills through teaching, so everyone would be able to create bespoke, unique garments.
