# Welcome to your future!

**I'd like to take this opportunity to welcome you to South Devon College, and thank you for considering us as the people to help you grow and achieve your goals.**

Everything we do is centred on giving you the best possible experience as a student, inside and outside of the classroom. We want to see every individual succeed and achieve their goals, tackling together whatever obstacles there may be. Our passion for learning is constant and is why the delivery of programmes at all levels is consistently recognised as being excellent.

The College offers progression routes from foundation level all the way through to degrees. Thanks to this, we have seen many thousands of students go on to reach positive destinations following their studies with us, and our delivery of essential skills as part of your learning will also improve your job prospects.

This is something that we take great pride in. I speak from experience when I say that our tutors and lecturers find no greater satisfaction than seeing students go on to achieve great things year after year.

But being at South Devon College isn't just about gaining qualifications. It's also about the lively and friendly community here. There's opportunity to take part in a variety of events and activities, including some you may never have considered before.

As a result of our values, you can be confident that you will feel included and receive the support you need to progress as part of this aspirational community. Our forward thinking focus and innovation ensures that you'll be working with state-of-the-art facilities and equipment no matter what subject you're studying.

So, please feel free to visit our campus by attending one of our open events to meet your future teachers and lecturers and see everything that we have to offer. Thank you for considering us as the people to support you at such an important time in your life. I look forward to welcoming you to South Devon College very soon.

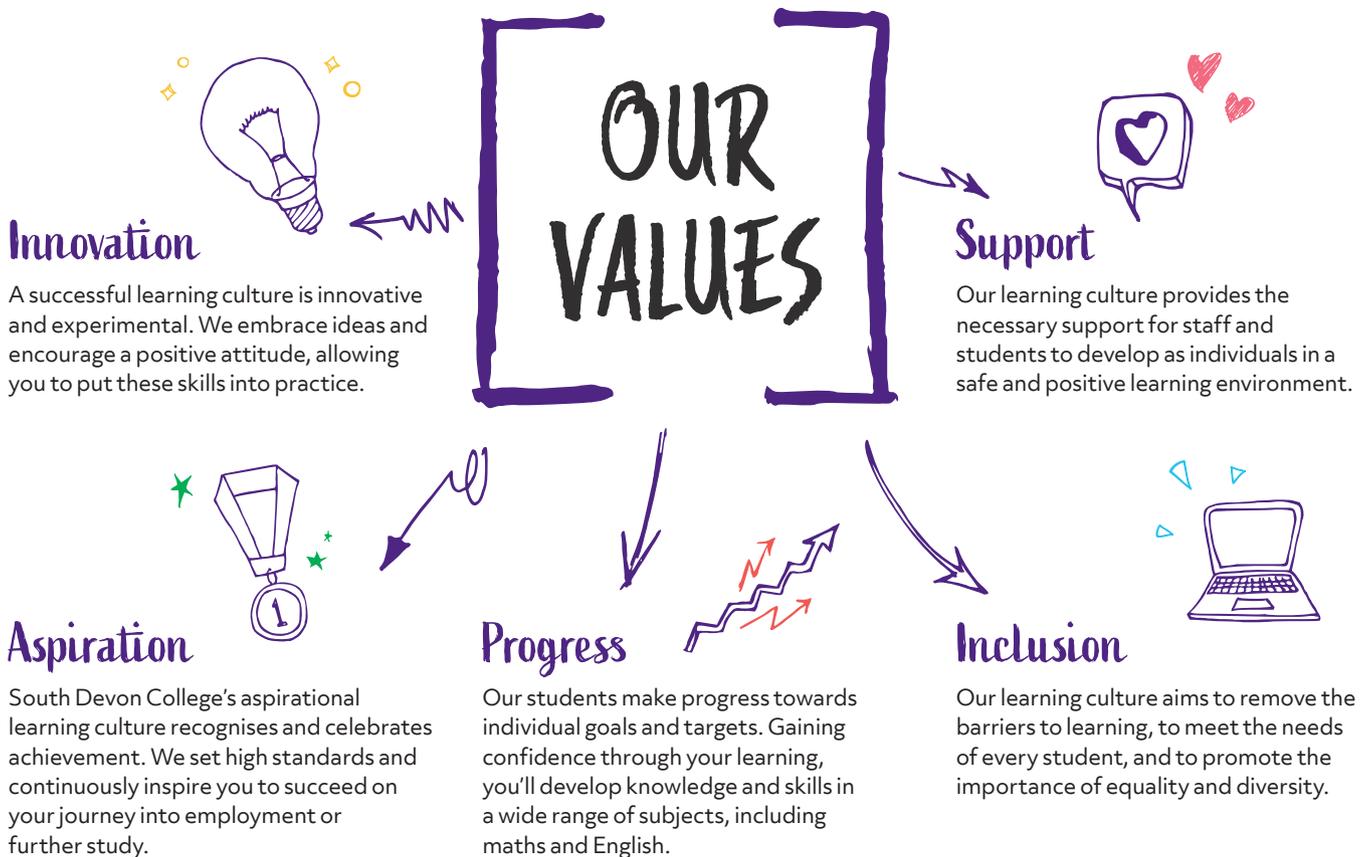

**Laurence Frewin**

Principal and CEO South Devon College

# Our values and learning culture

South Devon College promotes five core values through its teaching, learning and assessment. These are: inclusion, aspiration, support, innovation, and the progress of students. Find out more below...

# Student Success

We're here to ensure that you have every opportunity to succeed during your time with us, and we pride ourselves on the accomplishments of our students.

Just see for yourself what our students achieve...

# Awards and Accolades

We regularly win national and local awards and accolades that confirm our status as a leading further and higher education college.

## IIP Platinum Award

This is the highest ranking any national or international employer or institution can achieve and we join the top 7% of accredited organisations across the UK. We're the only college in England to achieve this rating.

## TES FE Awards

South Devon College was shortlisted for College of the Year in 2018, and won the Employer Engagement Award at the 2017 TES FE Awards.

## FE Choices

South Devon College students are amongst the most satisfied in the country. We were recognised in 2018 as one of the top three colleges in the UK for student satisfaction in the annual FE Choices learner satisfaction survey.

## Matrix Award

In 2019, the College was delighted to be re-accredited with the Matrix Standard, the unique quality benchmark for the effective delivery of information, advice and guidance (IAG).

## AAT Training Provider Award

In 2019, we received an award for the Innovation in Course Design and Delivery of our accountancy courses.

## TEF Gold

In 2017, University Centre South Devon was awarded 'Gold', the highest level possible, by the Teaching Excellence Framework, which recognises outstanding teaching in our university-level curriculum.

## Herald Express

We were named Apprentice Employer of the Year for the second year running and also won the Editor's Choice award at the Herald Express South Devon Business Excellence Awards 2017.

## Green Gown Awards

South Devon College was crowned winner of the Food and Drink category at the national Green Gown Awards 2016 for our innovative project, 'Samphire – What a Pickle'.

# How far will you go?

Our students go on to achieve great things every year. Whether you want to find your dream job or progress to further study to become an expert in your field, you can do it with us.

## Entry Level and Level 1 Courses

**97%** positive destinations

69% of our students continued their studies with us

28% of our students progressed on to an apprenticeship, employment, or voluntary work

3% of our students pursued other interests

## Level 2 Courses

**96%** positive destinations

65% of our students continued their studies with us

31% of our students had other positive destinations (such as an apprenticeship, employment, self-employment, or voluntary work)

4% of our students pursued other interests

## Level 3 Courses

**96%** positive destinations

48% of our students continued their studies with us (including university courses)

48% of our students progressed on to an apprenticeship, employment (including self employment), university, or voluntary work

4% of our students pursued other interests

# An exciting way to study at 14

**South Devon High School is an exciting opportunity for pupils studying at Key Stage 4.**

Pupils can join us at Year 10 to study GCSEs in core subject areas, including English, Maths, Science and up to four specialist technical qualifications and additional GCSEs in Business Studies, Computer Science, Geography, History or Photography. Combining academic and technical qualifications gives many young people the best chance of success. With expertly trained staff and state-of-the-art resources, you'll develop the key skills that prepare you for employment or further study.

**We currently offer technical qualifications in:**

- ❑ Animal Care
- ❑ Childcare and Development
- ❑ Computing
- ❑ Creative Arts
- ❑ Digital Media
- ❑ Engineering
- ❑ Games Development
- ❑ Photography
- ❑ Health and Social Care
- ❑ Hospitality
- ❑ Sports & Adventure

# Aim higher with apprenticeships

**Apprenticeships combine paid employment, valuable work skills, and practical training. There are higher levels too, so now you can go even further with an apprenticeship.**

## How does it work?

Apprenticeships are available in almost every industry, and they usually last two years. You'll be based in the workplace for four days each week, with the remaining day spent at the College. You'll also have a dedicated workplace coordinator, who will ensure you gain the relevant skills, knowledge, and behaviours required to complete your apprenticeship.

## What are the benefits?

Not only will you be paid a wage during your training, but you'll also develop real working experience, which is highly valued by employers. Apprenticeships help you get your foot in the door and often lead to a full-time job once completed. You'll also gain transferable skills that are relevant across various industries, so your progression opportunities are endless.

## What if I'm not ready?

If you don't feel quite ready to start an apprenticeship, we offer courses, including traineeships, that will help you prepare for one. These courses are available in almost every area of study, to help you develop the essential skills you'll need to succeed on an apprenticeship programme.

## How do I get started?

Think about which apprenticeship programme you'd like to study - you can find more information in our course listings or search **sdcc apprenticeships** online. Once you've applied, we'll invite you into the College to discuss your suitability and support you in identifying the perfect employer for your apprenticeship. Whether you have a job already or not, apprenticeships are a great way to upskill in your current workplace or get into employment whilst studying.

*We're constantly developing new apprenticeships, so if you can't see one that you'd like to study, contact our Helpzone team today.*

# University Centre South Devon

**As well as a first-class further education, we also offer a range of university courses, including foundation degrees and full honours top-up degrees.**

By studying a degree close to home, you have a platform to achieve your goals here in the South West, while keeping your studies affordable and within a budget.

A key feature of our higher education courses is the exceptional support we provide for our students. We have an experienced team who offer a range of services, and provide regular one-to-one contact time with your personal tutor, ensuring you have every opportunity to excel on your course.

We deliver many of our courses in partnership with University of Plymouth, with whom we share an incredibly strong relationship. We also gained Foundation

Degree Awarding Powers (FDAP) in 2019 which allows us to write and award our own foundation degrees by working with employers to ensure that the degree programmes are relevant and tailored to local business needs.

In 2017, University Centre South Devon (UCSD) was awarded 'Gold', the highest level possible, by the Teaching Excellence Framework, which recognises outstanding teaching within our university-level curriculum.

# We currently offer the following degree courses:

# Campus Locations

South Devon College has a range of campus locations throughout Torbay and South Devon, providing opportunities for more students to access the great facilities and teaching that we offer.

## Paignton

Our inspirational Paignton campus provides the very best learning environment, featuring state-of-the-art equipment and facilities in a range of locations.

### Campus:

- South Devon College
- University Centre South Devon
- Hi Tech & Digital Centre
- The South West Energy Centre
- South Devon College Sports Centre

## Kingswear

Based on the banks of River Dart, our South Devon Marine Academy is a centre of excellence for marine training and education.

### Campus:

- South Devon Marine Academy

Exeter →

## Torquay

Our Centre for Health and Care Professions is located close to Torbay Hospital and all major bus routes, providing a range of facilities dedicated to training in the health and care sectors.

### Campus:

- Centre for Health and Care Professions

## Newton Abbot

The facilities at our Newton Abbot campus provide the best possible learning environment, with industry-standard equipment and expert teachers delivering the skills needed in the local area.

### Campus:

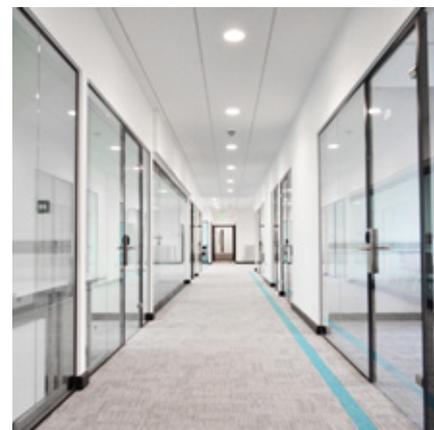

- Automotive and Construction, Bradley Lane
- Hair and Beauty Academy
- Brunel Skills Centre

For a list of all our campus contact details, please visit [southdevon.ac.uk](http://southdevon.ac.uk)

# Hi Tech & Digital Centre

The new Hi Tech & Digital Centre is the latest addition to our Paignton Campus.

### The new, purpose-built facility is innovative in its design and use, as well as nationally significant.

The Centre provides individuals with the skills that employers need to support their growth in a range of important local hi-tech businesses such as: electronics, lasers, fibre, satellite and communications, aerospace, marine, medical, and big data analytics.

The offer also extends to creative industries, including gaming, app design, digital design, film and digital media, smart clothing and textiles, and many others.

The facilities on offer include a cinema screening suite with 7.1 surround sound, and the ability to cast content throughout the building on multiple screens.

There's also the Java Café - a thriving space where students and businesses can share ideas over a delicious selection of refreshments.

Traditional whiteboards and projectors are replaced with large, 4K touchscreen displays.

There are also plenty of manufacturing areas, computer and Mac suites, and large, collaborative spaces, giving you every opportunity to make big ideas become reality.

# Find a successful career

**As well as helping you achieve your goals and begin a successful career, we support your personal and social development.**

We have a fantastic Careers Programme at the College, which includes group and one-to-one tutorials, guest speakers, college wide activities, employability sessions, and various theme weeks.

We also have a professionally accredited and Level 6 qualified, advice and guidance team available to help support you make the most of a range of opportunities.

## How we can support you:

- Free, impartial careers information, advice, and guidance
- Writing and developing your CV
- Helping you with your UCAS application for university
- Gaining part-time work
- Finding the perfect course
- Linking you with employers

## Our links with employers

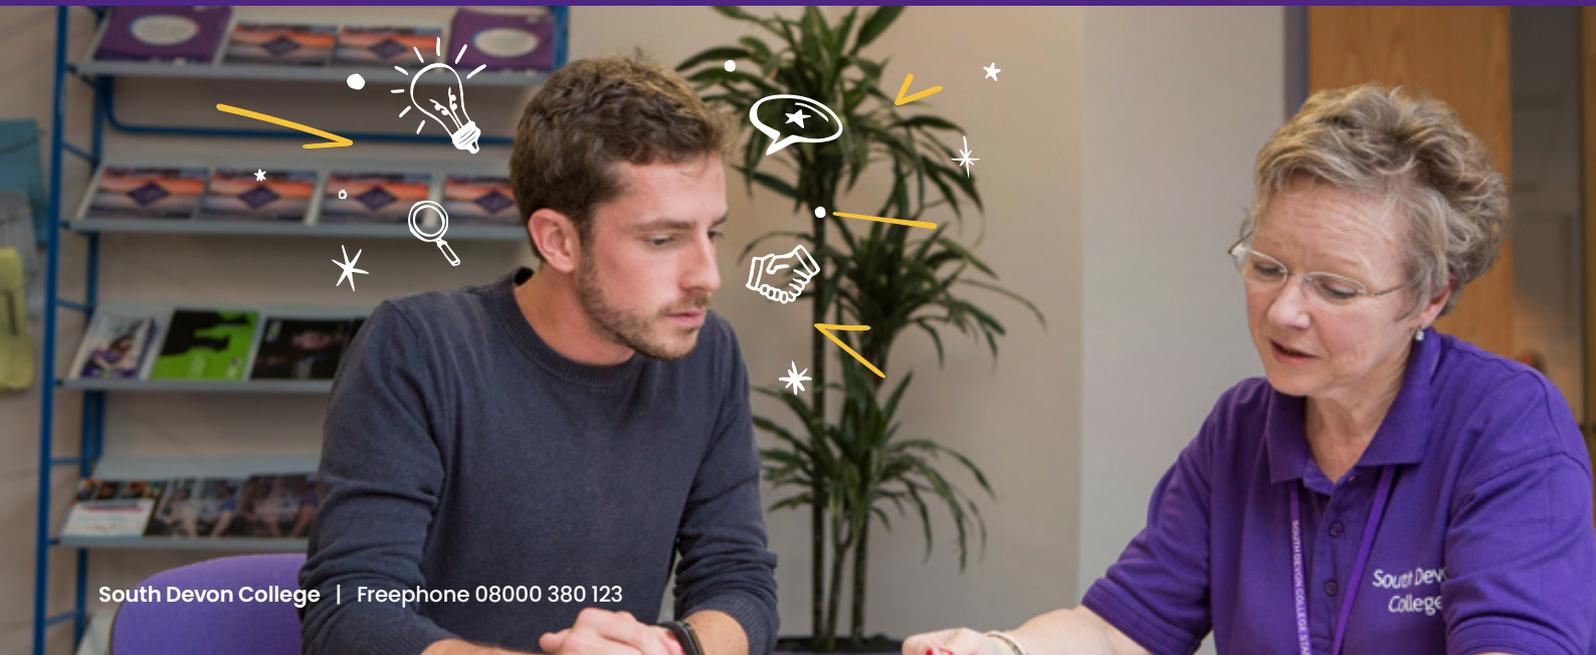

We work closely with over 800 local and national employers, including Spirent, Linden Homes, the NHS, and The Ritz.

This ensures our courses provide you with the skills you need to excel, as well as reflecting job opportunities in the region.

This gives you a unique learning experience, getting your foot in the door early, and preparing for industry, which is something many schools and institutions can't offer.

Many of our programmes of study include work placements with relevant employers, helping you gain real vocational experience which can be invaluable.

We also contribute to various local and community projects, often involving external businesses, providing yet another opportunity to develop and build connections with industry.

# Financial Help

## We offer a range of student support options, whether you're starting or continuing your studies with us in September 2020.

This support, which includes bursaries, free College meals, and travel support, helps remove any barriers to learning you might have.

We also offer tailored support packages for distinct groups, including young adult carers and care leavers.

The Helpzone team can support you in finding out what funding you could be eligible for. For example, 16–18-year-old students who remain in full-time education (excluding apprenticeships) are still eligible for Child Benefit.

The team are here to help you with everything so you can focus on what matters most - your studies.

## Money could be available to help you pay for:

- ▣ Books for your course
- ▣ Equipment and materials
- ▣ DBS checks
- ▣ Kit and clothing
- ▣ College meals
- ▣ Travel

You can apply for a bursary online – visit [southdevon.ac.uk](https://southdevon.ac.uk).

# Travel

**We work with Stagecoach to ensure you can travel to College safely and affordably, wherever you are in South Devon, including Exeter and Plymouth.**

The College can provide free and unlimited bus travel for full-time, 16–18-year-old students who have a household income of less than £25,000 per year.

If you don't meet these criteria, an unlimited travel pass is still available for as little as £300 per year. It can be purchased by direct debit in 10 instalments, and works out as less than £1 a day!

The unlimited pass lets you use the Stagecoach network on any day. You can use it to get to College, to work, and travel around South Devon whatever the reason. So, wherever you are, thanks to our outstanding transport network, you can get here and achieve your goals with us.

Our exclusive offer also extends to South Devon High School pupils and home-educated students, providing you live more than two miles away from the College and have a household income of less than £25,000 per year.

**Apply online for our exclusive South Devon College Travel Pass**

## South Devon College Travel Map

# Support for you

## We take our responsibility to support your learning very seriously, and can provide various services to help you.

### The support we can offer includes:

- ❑ In-class support from dedicated learning support assistants
- ❑ Out-of-class support in our English and Maths Zone
- ❑ Use of specialist software and equipment
- ❑ Special arrangements for exams

During the application process, you'll have the opportunity to tell us what support you need.

Letting us know at this early stage will help us plan the support you need, although support plans can be developed and reviewed throughout your course and study programme.

If you have a learning difficulty or sensory impairment that's been identified - such as dyslexia, dyspraxia, ADHD, Asperger's or dyscalculia, or have a Statement of SEN or an EHCP, have been in special education, or you're worried you're not finding some learning as easy as you expected, then we can help.

We also have a dedicated space for students who have been diagnosed with Autistic Spectrum Conditions (ASC). The LODGE (Learning Opportunity for Development and Guided Education) provides a calm, quiet environment where you'll receive support in managing your unstructured times during the day, as well as help with your studies and development of your communication and social skills.

### Personal Tutors

Every full-time student at the College has a dedicated personal tutor, who will make sure you have all the support you need to successfully complete your studies and progress in your education. Personal tutors will discuss your work and help you with any academic problems, as well as advising on careers or helping you with any personal problems that may arise.

### Courses to Careers

During your time with us, you may find that the course you choose is not quite as you expected or that you wish to focus on a different career path. We can offer you an exciting and engaging learning experience by producing a personalised study programme to suit your needs. It will give you the opportunity to develop both educationally and personally, preparing you for further college studies, employment, an apprenticeship or a traineeship.

# Amazing Learning and Digital Resources

**We provide access to state-of-the-art equipment and learning resources across all of our campuses. This will help you make the most of your time here, and give you the very best learning experience.**

## Learning Resource Centre

The Learning Resource Centre (LRC) is situated in the heart of the College, with two floors of resources, including books, journals and online materials. We have over 25,000 books, which are up-to-date and relevant to your studies.

The LRC is home to over 80 bookable computers and has free WiFi so you can use your own devices, or borrow one from the College. There's also a silent study room and a meeting/presentation room, so you can always find a comfortable environment that suits your style of learning.

## Moodle and Leap

You'll also have full access to Moodle, a virtual classroom that enhances your studies, and Leap, which tracks your progress. Here, you'll be able to:

- ❑ View resources, activities, and websites to support your classroom lessons
- ❑ Check assignment dates and review feedback
- ❑ Track and manage your learning
- ❑ Get the latest news from the College
- ❑ Request support from the various services in the College

## SDConnect App

With the South Devon College App, SDConnect, you will be able to keep up to date with your timetable and lessons, communicate with your peer groups and tutors, find out about events and special offers, and much more.

## Computer access

When you enrol, you'll have access to the following services to support your learning:

- ❑ 1GB of local storage with additional 1TB OneDrive storage
- ❑ Individual College email account
- ❑ New industry software, including Adobe Creative Cloud Suite available on College PCs
- ❑ Internet and campus-wide WiFi
- ❑ Online library catalogue
- ❑ Free Microsoft software for your device during your studies, including Office

You'll also have access to our wireless network, in case you prefer using your own devices. Many of our services are available remotely, outside of the College, meaning you can choose where and when to study.

# Student Wellbeing

**We make sure that you have the best possible experience during your time here, in an inclusive and supportive environment.**

## Positive Intervention and Safeguarding

We offer outstanding pastoral support services and ensure the safeguarding of all of our students. We have a dedicated team of professionals who can help with any issues that may arise from your studies or personal circumstances. Whatever your concern, you can be assured that you'll be supported discreetly in an environment you're comfortable with. We're committed to your online safety and the promotion of positive behaviour, respect and tolerance to others.

## Mama Bear's Day Nursery

If you're responsible for young children, Mama Bear's is based at the College and provides Ofsted-approved childcare and high-quality education for children aged from three months to five years. In this safe and stimulating environment, children can enjoy learning through a wide range of activities, supervised by qualified staff.

## Mental Health support

With fully trained staff, we have a dedicated team to support you throughout your studies.

## Medical support

The College nurse is on campus to discuss any health-related concerns you may have. There are also qualified first aiders throughout the College to resolve or assist with any situations that may arise.

## Friends of South Devon College Students

We have a dedicated charity whose main aim is to raise funds to remove barriers that may restrict students from participating in educational and enrichment experiences available at South Devon College.

## Equality and diversity

As a leading College, we believe in the principle of freedom from discrimination for everyone, regardless of age, gender, disability, ethnicity, sexual orientation, religion or social background. We have numerous processes in place to ensure that we provide equality of opportunity for all of our students and staff. We continue to reach out to the whole community, and work closely with organisations that represent minority groups.

# Student Life

**Studying at South Devon College is about more than just your studies. You'll be treated like an adult and have fantastic experiences that will shape you for the rest of your life.**

Whether that's an educational trip or getting involved in the many social activities that are available, you'll get the full College experience.

## Course Representatives

You can become a 'Course Rep', which gives you the unique opportunity to improve the student experience by attending termly management meetings to discuss what matters to you and your fellow students. It's a great way of making a difference, and also impresses employers on your CV.

## Student Ambassadors

The Student Ambassador role is an excellent opportunity to gain some valuable work experience and develop your personal and professional skills. You'll represent the College during a number of activities including campus tours, open events, and applicant days.

## Your Students' Union

The South Devon College Students' Union (SDC:SU) plays an important part in helping you settle into College life, and gives you the chance to get involved and make new friends. The SDC:SU organises a range of social and fundraising events, so there's always something to enjoy or contribute to, which looks great on your CV.

Find us at the Student Space on Level 1. You can also see us at any of our campus locations throughout the year.

## Erasmus+

Erasmus+ is the European Union programme for education, training, youth and sport. Staff and students have travelled to France and Sweden to take part in work experience and to sample the different cultures. European work placements and cultural experiences offer a great way for vocational students to gain valuable work experience and to start their journey of self-discovery.

## Common Room

The Common Room is a space where you can chill out and socialise between lessons, play pool, listen to music or just hang out. Everyone's welcome in the Common Room, so say hello and introduce yourself!

## Duke of Edinburgh's (DofE) Award and National Citizen Service (NCS)

DofE and NCS are just two examples of the many enrichment programmes at the College. These opportunities help you develop key skills and values that employers look for, all while having a great time. They showcase your dedication, enthusiasm, and personal responsibility, as well as giving you unique experiences and memories that will last a lifetime.

# Applying is easy...

## 1 Explore

Take a look at the range of courses in this prospectus, or view our website for more detailed information about the course.

## 2 Discover

If you're worried what the best course for you is, contact our fully trained Advice and Guidance Team for careers guidance support.

## 3 Apply

Visit [southdevon.ac.uk](http://southdevon.ac.uk) to apply directly through the specific course page.

## What next?

### Welcome Meeting

Once you've applied, you'll have a chance to meet a course tutor and discuss your studies in more detail. This is a great opportunity to ask any questions you may have, and make sure the course is right for you.

### My Night

This is a taster evening that helps you get to know your new classmates. It's a fun event that takes place in the spring term, and gives you another chance to explore the College and settle into student life.

### My Course

This is your chance to spend a day as a South Devon College student. It's a taster day that helps you get to grips with your studies and prepare you for when you start in September.

### Enrol

Your enrolment in September gives you an official place on your course, so you can get started and make your dreams a reality!

# How we help you stand out

**Your dedicated and personalised study programme.**

At South Devon College, we recognise that your education is more than just a qualification. That's why we add value to your development by enriching every area of your time at College.

Find out how your personalised study programme will help you make the most of your time with us.

## Personal Development

- Setting and monitoring personalised learning targets
- Safeguarding, prevention and student wellbeing
- British values/College values/equality and diversity
- Careers information advice and guidance to support continuing learning and progression into employment
- Participation in external programmes and activities
- Enrichment and visits
- Development of character, confidence and resilience, independence, group working, and life skills

## Work Experience and Industry Placements

Developing sector specific and transferable skills for employment through:

- Preparation and support for gaining employment
- Learning in simulated work environments and contexts
- Work experience
- Industry placements with an employer
- Enterprise activities and community and social action projects

## English and Maths

- GCSE and Functional Skills
- Development of applied literacy and numeracy to support employability and progression

## Core Qualification

- Technical, professional, and academic qualifications
- Developing knowledge, skills, and behaviours in your chosen subject area

# Your course explained

**GCSEs in England have been reformed and are now graded with a scale from 9 to 1, with 9 being the highest grade.**

All subjects follow the 9 to 1 grading structure. If you aren't sure what the numbers mean, you can see in this chart what they are equivalent to against the previous letter grading structure.

<b>Previous Grading Structure</b>	A* A		B C		D E F G				U	
<b>Current Grading Structure</b>	9	8	7	6	5 (Strong Pass)	4 (Standard Pass)	3	2	1	U

If you need help deciding what level to study, our Helpzone team are always available to explain your options in more detail. But to get a better idea, take a look at this guide...

Entry Level	Level 1	Level 2	Level 3
<p><b>Who is it for?</b></p> <p>Entry Level courses are ideal for you if you don't have any formal qualifications, and are looking to return to academic study.</p> <p><b>What type of courses are available?</b></p> <ul style="list-style-type: none"> <li>□ Supported Learning Opportunities</li> <li>□ Courses to Careers</li> <li>□ Technical and Professional Certificates</li> </ul>	<p><b>Who is it for?</b></p> <p>Level 1 courses provide basic knowledge, and are ideal if you're new to a subject area.</p> <p><b>What type of courses are available?</b></p> <ul style="list-style-type: none"> <li>□ Technical and Professional Diplomas</li> <li>□ Traineeships</li> <li>□ Certificates</li> </ul>	<p><b>Who is it for?</b></p> <p>Level 2 courses are slightly more advanced and begin to build specialist knowledge.</p> <p><b>What type of courses are available?</b></p> <ul style="list-style-type: none"> <li>□ Technical and Professional Diplomas</li> <li>□ GCSEs</li> <li>□ Apprenticeships</li> </ul>	<p><b>Who is it for?</b></p> <p>Level 3 courses develop specialist knowledge and can help you to enter employment or prepare you for university study.</p> <p><b>What type of courses are available?</b></p> <ul style="list-style-type: none"> <li>□ Technical and Professional Diplomas</li> <li>□ Apprenticeships</li> <li>□ A Levels</li> <li>□ BTECs</li> <li>□ T Levels (2021)</li> </ul>

# A Levels

Open the door to university and a successful career.

**If you want to study at university or prepare for a fulfilling career, then our A Level subjects can help you achieve your goals.**

Studying A Levels with South Devon College can open doors to a whole range of fulfilling careers.

As an A Level student with us, you can learn with a full choice of subjects on offer. Whatever you choose, it will help you take the next step towards studying a degree in the arts, sciences, humanities, or any other subject area, at universities throughout the country, as well as at University Centre South Devon.

The majority of our students successfully move on to university tuition, including Russell Group Universities.

To help get you there, we offer an exceptional support and guidance service, provide trips to university open days, and give you advice on your UCAS applications and progression opportunities, whether your focus is on further academic study or employment.

So, if you want to get the best preparation for university or a higher apprenticeship, and achieve the highest levels of academic success, apply with us today. As a college with a 97% overall pass rate, you'll be glad you did.

**"The atmosphere is nice and supportive but also challenged and pushed me to what I could really achieve. I want to go into teaching biology and the A Levels here were great steps towards that, also giving me an experience similar to university. I really enjoyed it and look forward to reaching my dream career."**

Student, Kathryn Wiltshire

## Five reasons to choose A Levels:

- 1** The College achieved an exceptional 97% overall pass rate in 2019 and ranks as one of the highest for A Level progress in Torbay.
- 2** A wide range of specialist subjects to choose from.
- 3** Tailored support with UCAS applications.
- 4** You'll get a fresh start and meet new friends in a new environment.
- 5** Learning is accessible with our exclusive free or discounted travel offer with Stagecoach.

**For the most up to date information, including entry requirements, please visit:  
[southdevon.ac.uk](http://southdevon.ac.uk)**

## Your Options

**Art and Design. Biology. Business Studies. Chemistry. Computer Science. Core Mathematics. Criminology. English Language. English Literature. Extended Project. Film. Further Mathematics. Geography. History. Law. Mathematics. Media Studies. Philosophy. Photography. Physics. Psychology. Sociology.**

## Your Progression

After completing their A Levels, most students go on to university, higher apprenticeships, start their own businesses, or employment. The College has a dedicated advice and guidance service to help you decide on your next steps.

### Study a degree on your doorstep

The TEF Gold-rated University Centre South Devon offers a range of degrees.

### Industry connections

You'll have the opportunity to attend motivational talks from industry professionals across a range of disciplines providing advice and insight into their career journey.

# Art, Design, Fashion, and Photography

Discover. Innovate. Create.

**Our Art, Design, Fashion, and Photography courses offer you the chance to develop your ideas and make a career out of your creativity.**

Our courses introduce you to a wide variety of artistic disciplines and a range of visual mediums, letting you specialise in an area you are passionate about.

The facilities at the College include studio workspaces and specialist workshops, with dedicated and passionate staff who will help guide you on your journey from student to professional. Our staff members all have a wealth of experience in art-related careers and are experts in their fields, making them the ideal people to support you in your chosen profession.

South Devon College works in partnership with the University of the Arts London (UAL), Europe's largest specialist art and design awarding body, giving you the best possible platform from which to progress and succeed. The emphasis of an art and design qualification at the College is on developing creative thinking and innovative approaches to problem solving.

**ual:** university  
of the arts  
london

**“My Foundation Art course was truly life-changing. The course stretched me to solve problems creatively as I explored new ideas and built a strong portfolio of work. I then progressed to the University of Kingston where I graduated with a first-class degree before working with a renowned design company in London.”**

**Student, Ruben Bicknell**

# Creativity. Idea development. Visual communication skills. Technical ability. Research skills. Co-creation.

## Five reasons to choose Art, Design, Fashion, and Photography:

- 1 Develop your creativity and problem-solving skills.
- 2 Explore a wide range of practices and specialisms.
- 3 A range of enrichment opportunities to stimulate your learning.
- 4 Passionate and experienced practitioners.
- 5 Links with Tate Exchange programme and UAL.

# Creative Digital Media

Find your vision.

**Digital media is an integral part of modern life. It influences everything we see, shapes meaning, and defines us. That's why a career in digital means a variety of opportunities in exciting industries that continue to grow and evolve.**

Studying with South Devon College is the perfect start to your exciting career in this rewarding cultural industry. You'll learn from our experienced staff, who have worked across all sectors of the media, including Games Design, 3D Animation, Graphic Design and Scriptwriting. This means they can help nurture your skills and develop you into an effective media professional.

You'll also gain experience using industry-standard equipment in the unrivalled learning environment of our £17m Hi Tech & Digital Centre. We have editing suites for film making, darkrooms and photography studios, state-of-the-art technical film

equipment, recording studios, industry-standard cameras and virtual reality equipment, Apple Mac editing and special-effects software, and a specialist screening suite. This means, whatever area of interest and career path you wish to follow, we have the tools and expertise to help you succeed in your journey, and begin a wonderful career that could take you anywhere.

South Devon College works in partnership with the University of the Arts London (UAL), Europe's largest specialist art and design awarding body, giving you the best possible platform from which to progress and succeed.

**"I really enjoyed all of the activities during my course, including making short films from our own scripts. It was an excellent experience that helped me progress to a bachelor's degree in Film and Screen at the University of Brighton."**

Student, Saffron Cobb

# Creativity. Digital skills. Strategic and analytical thinking. Communication skills. Teamwork. Reliability.

## Five reasons to choose Creative Digital Media:

- 1** Staff with professional links and knowledge.
- 2** Progression routes to higher education.
- 3** State-of-the-art film and recording equipment.
- 4** Opportunities to work on live creative briefs.
- 5** Learn from leading industry speakers in a thriving sector.

# Automotive and Motorcycle

(including Vehicle Body Repair)

Drive your future.

**Our automotive courses will give you the perfect introduction to any career in the motor industry.**

Our award-winning facilities feature state-of-the-art equipment to ensure you learn in the best possible environment.

Getting the highest level of professional experience from your course, it will prepare you for employment in an exciting and dynamic sector.

Our professionally trained and highly experienced staff members have a wealth of automotive industry experience, from vehicle refinishing specialists to MOT testers and race team technicians.

You'll gain exposure to key local and regional employers that will support your progression into employment and provide you with essential skills to be successful in this dynamic and ever changing industry. Those essential skills include diagnostics, technical problem solving and working with hybrid vehicles. Additionally, this curriculum gives you the opportunity to develop wider skills such as air conditioning, welding, fabrication, parts distribution and customer service.

**"My lasting impression from my time at College was of the tutors; they were outstanding! You're always treated as an adult, and it was great preparation for employment. I studied an apprenticeship with Vauxhall, became a qualified technician and now I work within the service team, assisting both customers and technicians."**

Student, Lesley Thomas

## Five reasons to choose Automotive and Motorcycle:

**1** Professionally trained and highly experienced staff - from vehicle body paint specialists to MOT testers and race team technicians.

**2** Access to a range of regional and national sector experts.

**3** Involvement in events such as the South West Autosport show and the BMAD Bike Festival.

**4** Access to award-winning, dedicated and specialist training workshops, featuring the latest technological advances in the automotive sector.

**5** Qualifications are recognised nationally and internationally by employers and the industry, including the opportunity for accreditation by national bodies.

# Business

Your path to success starts here.

**Our courses focus on a wide variety of careers within the Business Sector. You'll develop skills which will prepare you for careers in Accounting, Management, Marketing, Human Resources, and Administration.**

Our highly experienced staff members have a wealth of practical business experience. Together with relevant teaching and professional qualifications, they're best placed to help you learn and develop the skills you need to succeed.

Employers throughout Torbay and South Devon are regularly involved with our curriculum, ensuring you learn skills that are relevant to local industry. Business Academy students have the opportunity to work on live projects in collaboration with local business.

There's also the chance to take on valuable work experience in your chosen sector.

So, whether you want to be an accountant, a business owner, or gain a degree to help you join a multinational company, we can help you achieve your goal.

**"Progressing from Level 1 to Level 3 has helped me develop my self-confidence and gain the highest grades possible. The skills developed on the course supported me to gain employment and progress on to university. I wish to go into a career in accountancy and this course helped me identify this future career path."**

Student, Anita Kula

# Communication. Teamwork. Motivation. Problem solving. Research skills. Critical analysis.

## Five reasons to choose Business:

- 1** Opportunities to work on live projects.
- 2** Take on work experience within your chosen business sector, gaining valuable insight into your chosen profession.
- 3** Staff with specialised industry experience.
- 4** Up-to-date curriculum with a variety of focus areas.
- 5** Progress your studies to degree level.

# Law

**Make your case.**

**Study Law at South Devon College and watch your future unfold. Our courses focus on a wide variety of areas so you can develop a broad range of skills relating to law, secretarial roles, business, and the legal sector.**

South Devon College are the only provider of CILEx qualifications in Devon. Our highly experienced staff members have both the appropriate professional qualifications and a wealth of practical law experience, making them best placed to help you learn and develop.

Employers throughout Torbay and South Devon help shape our courses, making sure you learn skills that are relevant to the local industry. Working with our dedicated staff and employers will help enhance your employability skills, which is why we also encourage you to work part-time during your studies.

This programme of study will help you to move straight into employment or to progress to a higher apprenticeship, higher education, or further technical study. When you achieve your Level 3 qualification, you'll then be able to apply for the foundation degree in Law at University Centre South Devon.

You can find more information about studying Law with us at [southdevon.ac.uk/school-of-law](http://southdevon.ac.uk/school-of-law).

**"I enjoy all aspects of this course including learning where I can go in my career, as well as work experience and the chance to sit and observe court proceedings. I've been given the opportunity to continue with my studies on the FdSc Law at University Centre South Devon and build upon my education and legal career."**

**Student, Megan Steele**

# Teamwork. Autonomy. Motivation. Critical analysis. Problem solving. Knowledge and understanding.

## Five reasons to choose Law:

- 1** Gain key transferable skills that will open a range of future employment options.
- 2** Junior membership of the Chartered Institute of Legal Executives.
- 3** Highly skilled staff with professional links and knowledge.
- 4** Excellent progression opportunities.
- 5** Possible opportunities for valuable work placements.

# Catering

Find the recipe for success.

**A career in catering could take you anywhere in the world in a variety of workplaces, including hotels, restaurants, cruise ships, and contract catering.**

Horizons  
RESTAURANT

This industry has a vast range of job roles, so you'll have every opportunity to find a specialism that interests you and begin a fulfilling and dynamic career. You could find yourself working as a production chef, kitchen porter, commis chef or even head cook. This is an industry with a unique working environment, and as a public-facing sector, it offers a sociable and varied working life. The industry rewards hard-working and dedicated students with excellent opportunities to progress, and could potentially take you around the world.

You'll benefit from the expertise of our tutors, all of whom have years of professional experience, as you demonstrate your cooking ability with recipes from all corners of the globe. You'll learn and work in our commercially run Horizons Restaurant, which is always popular with guests and provides a fantastic experience in a real working environment.

This industry requires a range of different roles to make an effective catering department, restaurant or other cooking business, so you'll have plenty of opportunity to find a role that suits you.

**"I grew up helping my parents with the cooking, which inspired me to choose Catering. I progressed through the levels at College which gave me the courage to find a work placement. The staff share their industry expertise and they teach in fully equipped training kitchens."**

**Student, Harrison Dyer-Cole**

# Teamwork. Flexibility. Customer Service. Creativity. Culinary skills. Multitasking.

## Five reasons to choose Catering:

- 1** Opportunities to work on events throughout South Devon.
- 2** Option to enter national competitions.
- 3** You will learn in professional, industry-standard kitchens.
- 4** You get to host events at the College's fine-dining restaurant, Horizons.
- 5** Staff have professional experience and valuable industry connections.

# Tourism and Hospitality

Travel local. Go global.

**Torbay's strong tourism industry makes this the perfect place to study for a career in Tourism and Hospitality, which could take you all over the world.**

Our courses prepare you for employment by giving you relevant, practical skills, as well as helping you understand the theory behind this dynamic industry. Our teaching staff have professional experience, as well as industry-recognised qualifications, and we enjoy strong links with local, national and international tourism and hospitality organisations. Your studies will offer a range of exciting opportunities and activities - from survival training with Virgin Atlantic\*, to planning and hosting a conference with the English Riviera Tourism Company.

Our facilities include a simulated aeroplane cabin and other resources to enhance your studies. The skills you'll develop are sought after by businesses in a range of sectors. Participating in annual overseas trips to locations such as Paris and Marrakesh\*, you can take your learning to another level. So, if you want to become a tour rep, a travel agent, a member of cabin crew or any other profession that could see you travel across the globe, we can help take you there.

\* Examples of recent student experiences

**"I chose to study this course because I wanted a career that would allow me to travel. There are lots of different opportunities within tourism and hospitality and the course taught me about all of them - from cabin crew procedure, cruise ships operations and holiday representatives as well as customer service and event planning."**

**Student, Imogen Stelfox**

# Leadership. Problem solving. Customer service. Enthusiasm. Flexibility. Presentation and listening skills.

## Five reasons to choose Tourism and Hospitality:

- 1** Study in state-of-the-art learning facilities.
- 2** Gain relevant and essential practical and theoretical skills to help gain future employment.
- 3** Learn from a dedicated and experienced team of staff who have key community links.
- 4** Varied units of study, from training to event planning.
- 5** Opportunities to participate on overseas trips to places such as Paris and Marrakesh\*.

# Brickwork

Build a better future.

**If you want a lifelong career in a thriving industry, then a Brickwork course could be perfect for you.**

Our enthusiastic teaching staff are not only professionally qualified, but also have years of site experience to share, helping you to develop all of the skills you need to succeed in this industry. You'll start with the basics of how to handle a trowel and building small sections of wall, before progressing to cavity walls, blockwork and more advanced decorative features. Learning the theory behind this trade, you'll become confident at calculating materials, writing quotes, applying for jobs and producing an impressive CV.

Our fantastic, on-site learning environment includes a spacious and fully-equipped covered workshop with state-of-the-art facilities and resources.

A brickwork role will also provide immense job satisfaction, as you'll be working in a practical industry where the things you build stand the test of time. So, if you want to lay the foundations for a future career in construction, then a brickwork course is for you.

**"I studied a Level 2 apprenticeship with Tucker Buildings. The skills I developed were essential to helping me find employment. Whether it's using mathematics to calculate storey heights, or using English to communicate effectively with my colleagues, I have the skills to succeed in the workplace."**

Student, Luke Jordan-Squires

# Practical skills. Communication skills. Organisation skills. Eye for detail. Creativity.

## Five reasons to choose Brickwork:

- 1** An active and dynamic outdoor industry.
- 2** An industry that demands practical, hands-on skills.
- 3** Get qualified and earn more in a booming industry.
- 4** Seeing the results of your efforts leads to high levels of job satisfaction.
- 5** An industry with transferable skills.

# Carpentry

Carve out your future.

**Studying carpentry and joinery is a fantastic way of learning a trade that will last you a lifetime. In our specially equipped workshop facilities, you'll develop the skills you need to succeed in this constantly evolving industry.**

You'll begin your studies by working on an induction joint programme that's been specifically designed to improve your hands on skills. After you've developed these essential techniques, you'll undertake a wide range of carpentry activities including working on roofs, kitchens and stairs, using your advanced skills and our modern machinery. You'll have the opportunity to participate in ongoing community projects, where you'll gain valuable experience of working on-site.

You'll also build working relationships, teamwork skills and self-confidence, which will prepare you well for future employment. Some of the best site managers and surveyors start in the carpentry trade, so when it comes to career opportunities, the possibilities are endless. So, if you want to build your future and have a successful career in construction, enrol on a carpentry course today.

**"My tutors have given me the skills that I need to go forward with my business. Having a network of other talented students is really beneficial for me to build working relationships and collaborate with."**

**Student, Jake Raine-Harries**

# Practical skills. Adaptability. Creative ability. Visual awareness. Communication skills.

## Five reasons to choose Carpentry:

- 1** Develop key skills using our specialist workshop facilities.
- 2** Participate in a wide range of practical activities such as roofing, and carpentry projects.
- 3** Gain valuable experience working on community projects.
- 4** Build key working relationships, learn teamwork skills and grow in self-confidence.
- 5** Increase your employability status while furthering your career prospects.

# Construction Management

Break into construction.

**New technology is changing the face of construction. There's never been a better time to develop the skills that could see you managing in one of the most innovative and dynamic industries in the UK.**

The country is committing to investment in infrastructure and waste management, with sustainability essential to every new project. By studying with us, you'll have access to exceptional teaching facilities and experienced professionals who can give you insights into this rewarding industry and prepare you for management positions across a variety of trades and professions. We also have a natural progression route through to university level study, which means you can gain the high-level skills you need to excel at the top of this profession.

Early adopters of the new technologies involved in construction planning and operations will be in prime position to take advantage of the exciting opportunities that lie ahead in the industry. So, take the first step to a lifelong career by applying today.

A photograph of two construction workers wearing hard hats and high-visibility vests, looking towards the left. The background is a blurred green field. The image is framed by large, light-colored brackets on the left and right sides.

**"I wanted a course that would help me succeed in my aim to become a project manager for a construction company. The course gave me a real insight into the industry, which has enhanced my career prospects."**

**Student, Jess Lloyd**

# Problem-solving skills. Technical design. Communication skills. Independent and team work. Research skills.

## Five reasons to choose Construction Management:

- 1** Thriving industry with a broad range of employment opportunities.
- 2** Staff with professional links and knowledge.
- 3** Progress your studies on to higher education.
- 4** Experience working in a variety of different locations and environments.
- 5** Work on a mixture of both practical and theoretical tasks.

# Electrical Installation

Put the spark into your future.

**Studying Electrical Installation at South Devon College is the perfect way to begin your training in this exciting and varied career. You'll get to work with evolving technologies in a trade that will stretch your practical skills and challenge you.**

Whether you want to work in the commercial and industrial sectors, or concentrate solely in the domestic field, our courses cover the diverse electrical spectrum in its entirety, incorporating some of the most up-to-date eco-technologies available. Your interest will be sparked by our fully equipped workshops and classrooms, where you'll be taught by qualified and enthusiastic members of staff, all bringing their unique industry perspective to your learning.

You'll be studying for your electrical qualifications in an environment that encourages you to succeed and develop as a professional. You'll also have the opportunity to gain work experience and be involved in community projects which will look great on your CV. We have everything in place to help you find employment when you leave us, so don't miss this opportunity - apply today.

**"I chose to study at South Devon College as I've always had an interest in trades. It's a great place to learn about the industry before entering the workplace. The staff are really helpful and I prefer the College environment to school as you're treated more like an adult. It's a really fun and exciting course."**

**Student, Charlie Capewell**

# Multitasking. Analytical thinking. Organisational skills. Technical skills. Teamwork.

## Five reasons to choose Electrical Installation:

- 1** Specialist facilities with up-to-date eco-technologies.
- 2** Get the best mix of study and practical learning.
- 3** Experienced staff with strong industry links.
- 4** An exciting and diverse career path.
- 5** A thriving industry with plenty of employment opportunities.

# Painting and Decorating

Colour your world.

**Our courses develop the skills you need – not just for this varied trade, but in a number of creative fields. Whether you want to become a skilled painter and decorator, a set designer or a shop fitter, we can help.**

Working in painting and decorating can involve a range of challenging roles. During your studies, you'll learn the techniques that will shape you into a skilled professional, learning from our dedicated staff who have years of industry experience.

In the classroom, you'll discover how building processes work, from design through to completion, before applying your knowledge in a practical setting.

You'll also be able to participate in competitions and community projects to support your learning, gaining valuable experience that employers look for. Whether you want to be a successful tradesperson, a set designer or even become a foreperson, the opportunities are there for you at South Devon College.

A photograph of a man with curly hair and a beard, wearing a dark jacket, painting a white window frame. He is holding a paintbrush and looking towards the window. The background consists of horizontal wooden slats in shades of green and yellow.

**"I used the skills I developed as a student to enter industry and enjoy a successful career before returning to teach. Painting and decorating is a real passion of mine, and nothing beats passing this on to our learners and preparing them for their journey in this career, which has given me so much."**

**Staff, Steve Orme**

# Communication skills. Pride in your work. Timekeeping and time management. Creativity.

## Five reasons to choose Painting and Decorating:

- 1** The chance to enter the regional and national SkillBuild competition.
- 2** Gain the skills and qualifications employers are looking for.
- 3** Great environment in which to learn and achieve.
- 4** Plenty of work experience opportunities.
- 5** Excellent employment prospects according to Go Construct statistics.

# Plastering

Spread the word.

**Do you want to gain the skills that will help you excel in a trade that's essential to the construction industry? If so, a Plastering course with us could help you achieve your goals and begin a lifelong career.**

As one of the oldest trades used in the construction industry, plastering has been used in one form or another for centuries. This means there will always be a variety of opportunities for skilled professionals to progress and prosper. We'll develop your raw talent and give you the skills and expertise you need to begin your career in this highly rewarding profession.

During your studies, you'll be taught all the essential and advanced techniques - from rendering to skimming and boarding - that are key skills in every plasterer's toolbox.

You'll learn in our purpose-built workshops, allowing you to put the theory and skills you learn into practice. So, if you want a job in a hands-on trade that's always in demand, apply today.

**"I have over 35 years of experience and have worked at Pinewood Film Studios in London, creating sets for films like Raiders of the Lost Ark, Superman, and the James Bond series. I moved into plastering with an ornamental focus and had my own business. I bring all this experience into my teaching, preparing students for their own careers."**

**Staff, Graham Hurt**

# Dynamic decision making. Communication skills. Personal organisation. Problem solving skills. Creativity.

## Five reasons to choose Plastering:

- 1** According to the latest Construction Skills Network research, the UK construction industry will need an additional 47,500 plasterers between 2017 - 2021.
- 2** With experience, you could progress to supervisory roles or move into related areas like tiling, estimating and site management.
- 3** Learn in our purpose-built specialist workshops.
- 4** You'll get the chance to compete in the regional and national SkillBuild construction competition.
- 5** Thrive in an essential industry, developing a valuable skill needed worldwide.

# Plumbing

Tap into your future.

**Plumbers play a vital role in modern society, working with a range of materials and evolving technologies. This rewarding industry always has plenty of opportunities for skilled professionals.**

We have a range of courses available in traditional and emerging technologies, so whatever your ambitions in this dynamic profession, you can achieve them with us.

You'll learn in our fully equipped classrooms and workshops, studying the underlying theory before gaining the practical skills required to achieve professional plumbing and heating qualifications. You'll have the opportunity to gain work experience and be involved in community projects, which will enhance your CV and show employers your vocational experience, dedication, and ability.

So, if you're looking for an occupation that will stretch your practical skills and subject knowledge, and has plenty of opportunities to progress, apply for a plumbing course and start your career today.

**“During my apprenticeship, I worked alongside a qualified gas engineer, servicing and repairing boilers, as well as assisting with planned maintenance and call outs. There’s always been someone there to support me, and it’s been great putting the skills I learnt into practice.”**

**Student, Kieran Hill**

# Attention to detail. Communication skills. Reliability. Health and safety skills. Manual skills.

## Five reasons to choose Plumbing:

- 1** You'll learn in the College's specialist workshops.
- 2** Work with new and evolving technologies and a wide range of materials.
- 3** Use your practical skills in a number of work experience opportunities.
- 4** Get involved in community projects.
- 5** Achieve key professional qualifications and enhance your employability.

# Roofing

Reach the top.

**As the country commits to building more and more houses, there's never been a higher demand for skilled workers to help build homes and beat the housing crisis.**

Roofing is a dynamic trade that puts you right at the heart of construction, working outdoors, and using your practical skills to build new homes or maintain existing buildings.

This is a varied industry that requires plenty of skill. Each job will be different, as you examine the requirements of the build and ensure your work will last for years to come.

Our course will help you develop the practical skills and theory you need, as you work with industry-standard equipment and experienced professionals who can pass their expertise on to you.

You'll also be working in our specialist workshop facilities, where you can put your skills and knowledge into practice and gain the valuable vocational experience employers are looking for.

Our strong links with local employers mean that progression opportunities are guaranteed upon completion, and could lead to a lifelong career in this rewarding industry.

**"There are dedicated roofing facilities at the College which really help you prepare for employment. The staff have been really supportive throughout my time here. A highlight for me was qualifying for the UK national finals of SkillBuild - I achieved one of the highest scores in the country for my entry."**

**Student, Ethan Howe**

# Head for heights. Teamwork. Timekeeping. Practical skills. Communication. Numeracy. Attention to detail.

## Five reasons to choose Roofing:

- 1** You'll learn the latest industry skills to the highest level.
- 2** Become an essential part of a team.
- 3** Learn a construction trade that's in high demand.
- 4** Develop your skills in one of the College's specialist workshops.
- 5** You'll have the chance to compete in the regional and national SkillBuild construction competition.

# Beauty Therapies, Make-Up, and Nail Technologies

Create lasting beauty.

**There's never been a higher demand for beauty treatments and products, with more opportunities for beauty therapists than ever before.**

By studying a Beauty Therapy course, you'll be fully prepared for a dynamic career in a vibrant and fashionable industry with a huge variety of choice. Our courses focus on specialisms including beauty therapy, massage therapy, nail technologies, theatrical special effects, and media make-up. Whatever your passion, we can give you all the support you need to succeed.

Our facilities include a fully equipped make-up suite, beauty salons, and nail bar. You'll get practical and valuable experience

in the Inspirations salon - our working, commercial salon with real clients - helping you develop the essential skills you need for employment.

Working in the beauty industry requires hard work and dedication, but it does offer a clear career progression route. You could find yourself as a trainee in a salon or spa, to working on a cruise ship, or even owning your own salon. So, if you want a sparkling career helping people feel great about themselves, apply today.

**"I had three memorable years at South Devon College and was impressed by the tutors and facilities. I now work as a beauty therapist, and supply various treatments. One day I want to manage my own spa, before giving something back by teaching a new generation of beauty therapists."**

Student, Abbie-Louise Connor

# Communication skills. Technical skills. Artistic and creative skills. Theoretical knowledge. Practical skills.

## Five reasons to choose Beauty Therapies, Make-Up, and Nail Technologies:

- 1** Showcase your work and develop a professional portfolio.
- 2** Guest lectures from industry professionals providing insight to the latest treatments.
- 3** Industry-level work experience opportunities.
- 4** Access to industry-standard facilities.
- 5** Learn the skills and techniques to help you stay on trend and in demand.

# Hairdressing and Barbering

Be a cut above.

**A career in hairdressing or barbering means meeting people from all walks of life and using your creative flair to inspire them and make them look and feel their best.**

Our courses cater to all levels of experience, so whatever your goals, you can achieve them with the College.

After completing your studies, you'll have developed the expertise to not only work in a salon, but eventually run your own business. One of the key benefits of studying at South Devon College is you get to work in our fully-equipped, commercial hair salon, Inspirations, and barber salon, Barberworx, both of which are open to the public. This gives you fantastic and valuable experience of working in a real environment, as you deal with clients on a regular basis.

You'll be supported by our enthusiastic and dedicated staff who have a wealth of industry experience. You'll learn the latest trends and techniques and be able to transition effectively into employment. You'll also benefit from the knowledge and experience of leading professionals as you develop into a skilled hairdresser and look forward to a successful career in this dynamic and ever-changing profession.

**"I studied Hairdressing at the College and gained important skills that helped me find employment. I already have a small selection of clients and have plenty of experience. I'm looking forward to developing my skills further and building a regular client base."**

Student, Kayleigh Barker

# Creativity. Attention to detail. Flexibility. Communication skills. Technical skills.

## Five reasons to choose Hairdressing and Barbering:

- 1** Take part in an annual hair showcase.
- 2** Get creative and demonstrate your skills.
- 3** Gain transferable skills that will lead to great career opportunities.
- 4** Work placement one day per week to gain valuable experience.
- 5** You will learn in dedicated specialist facilities.

# Computing and Digital Technologies

Crack the code.

**Studying Computing and Digital Technologies is all about working with the latest tech to build an exciting future. You'll have access to our Hi Tech & Digital Centre, which hosts the latest technology within a dynamic and engaging learning environment.**

You'll become familiar with programming languages such as VB.Net, Java, C#, C++ and Python, to produce programs for Android, Windows and Linux. This will prepare you for employment working with a comprehensive range of systems.

As a College, we invest in staying current so that when you complete your studies you will be able to progress seamlessly into the computing industry. All of our courses are supported by our skilled, passionate, and experienced teaching staff.

We offer courses starting at Level 1 progressing all the way through to university level study with our foundation degree in Computing. Our students leave College with the skills necessary to gain employment in a wide range of areas, and past students have gone on to work in network management, website development, software engineering and systems support. So whatever your goals, you can achieve them with us.

**"I really enjoyed my time at the College, and made some great friends whilst studying locally. One of my greatest achievements was gaining a distinction grade in both my Level 2 and 3 courses, and the skills I gained enabled me to progress onto the Computing foundation degree."**

**Student, Luke Sitanski**

## Five reasons to choose Computing and Digital Technologies:

- 1 Make contacts with potential employers.
- 2 Staff with professional links and knowledge.
- 3 Progression routes to higher education.
- 4 Bespoke programming courses.
- 5 Industry-driven qualifications.

# Hi Tech Engineering in Electronics and Manufacturing

Discover the world of tomorrow.

**Studying Hi Tech Engineering and Electronics is the perfect preparation for an exciting career, creating innovative systems, products, and technologies that help industry and could even change the world.**

Our accomplished staff members have years of experience across a range of specialisms, including mechanical, manufacturing, electrical, and electronic sectors.

As experts in their field, they can pass their extensive knowledge on to you in areas such as 3D printing, programming logical controls (PLC), computer-aided design (CAD), computer numerical control (CNC) systems photonics, micro electronics, and precision machining.

You'll have the opportunity to visit and work with local, national and international companies to gain valuable experience and connections within the industry.

All our facilities feature up to date, state-of-the-art equipment. This ensures you learn in the best possible environment and work with technologies that you'll continue to use in your future career, ensuring a smooth transition from your studies to employment, apprenticeships, or higher levels of study.

A student with long hair is shown in profile, focused on a task. They are using a precision tool, possibly a soldering iron or a fine drill, to work on a small, light-colored cylindrical component. The background is a workshop environment with various tools and equipment visible.

**“The project work allows me to build and design my own pieces – I really enjoy the practical tasks. Everyone is really friendly and the staff are very supportive. It’s a really great course, I’ve gained valuable skills and feel like I’m able to express myself.”**

**Student, Oliver Deschamps**

## Five reasons to choose Hi Tech Engineering in Electronics and Manufacturing:

- 1** Ongoing project based learning that introduces you to working with local, national, and international employers.
- 2** Supported by staff with professional industry links and knowledge.
- 3** Excellent progression to apprenticeships, higher skills, and higher education.
- 4** Exposure to exciting Hi Tech sectors within Torbay, such as photonics and micro electronics.
- 5** Qualifications that are recognised by national and international employers.

# Marine

Navigate your way into the marine industry.

**If you want to get out on the water, or have an interest in the marine environment, then look no further than a course with us.**

Based on the banks of the River Dart, South Devon Marine Academy is the only place to consider for marine training and education.

We offer a wide range of courses that will develop all the skills you'll need for successful employment. You'll be supported by our fully qualified and professionally trained staff, all of whom have years of industry and academic experience, ensuring you get the most out of our unique, specialist resources.

The Academy is located within a fully operational boatyard, exposing you to the full range of career pathways within this diverse sector.

Our links with highly regarded professional bodies and employers ensure our curriculum and training remains responsive to national trends, opening up more opportunities in the marine industry, so you can begin your career in this dynamic and rewarding sector.

South Devon College are proud members of British Marine, as well as a recognised Royal Yachting Association (RYA) Training Centre.

**BRITISH MARINE**  
LEADING THE INDUSTRY

**"My goal is to become a marine engineer, and my course has improved my career prospects as well as providing many memorable experiences. I've driven a powerboat and worked on the engine of Aspiration, the College's 38ft yacht, amongst many others. It's all been great experience for employment."**

Student, Leanne Cole

## Five reasons to choose Marine:

- 1** Access to dedicated South Devon Marine Academy within a fully operational boatyard, based on the River Dart.
- 2** High-quality, experienced teachers, all with industry backgrounds.
- 3** Access to a wide range of dedicated training vessels from 38ft MCA coded yachts to rigid inflatable hull boats, and displacement motor boats.
- 4** Excellent opportunities to progress to degree-level study at University Centre South Devon, employment, or apprenticeships.
- 5** Strong links to pioneering industry organisations including British Marine South West, national boat shows, and employers who can offer international work placements.

# Music

Hit the right note.

**For some, music is more than just a passing interest – it's a passion that defines you. A music course with us will help you to turn that enthusiasm into a career that could last a lifetime.**

Our team of creative and dedicated staff have years of industry experience between them, working in areas ranging from performance to technical production.

They can help you apply your raw talent and begin a successful career in this vibrant, cultural industry. We have state-of-the-art sound equipment and fully operational recording and rehearsal studios, all designed to provide you with the opportunity to study in a professional environment.

We're regularly involved with the latest music venues in Torbay, such as the Attic, and participate in various local festivals and events.

This will give you essential, practical experience that will help you to enter employment when you complete your studies with us.

So, whether you want to work in performance, post-production, or audio technology, study with us and see your dreams become a reality.

**“The lecturers were very helpful and I made lots of friends, including some great industry contacts. I even found my first paid DJ set thanks to the course, and went on to become a successful DJ, enjoying chart success in the United States.”**

**Student, Justin Turner**

# Musicianship. Memory. Concentration. Creativity. Self-management. Technical skills.

## Five reasons to choose Music:

- 1** Community links with local festivals and gig venues where you can perform live.
- 2** Guest talks from industry professionals who advise on how to break into the music business.
- 3** Record your own material in the College's modern recording studio.
- 4** You'll have the chance to work collaboratively with students across the College on live projects.
- 5** Learn technical and creative skills such as musicianship, songwriting, composition, and recording.

# Performing Arts

Take centre stage.

**Our courses will give you the perfect start to an exciting career in this culturally rich industry, which thrives on creativity. With experience across all areas of performance, we have a great team that can support you with a range of fantastic local and national industry links.**

With our Performing Arts courses, we want to encourage and nurture your raw talent and turn you into a wonderful and enthusiastic stage professional.

Studying with us, you'll benefit from access to many of Torbay's creative sector experts and venues, including the Princess Theatre, live music venues including The Attic, and many local festivals and events.

We also have our own theatre at the College which stages live performances throughout the year, including productions based on We Will Rock You and the Rocky

Horror Picture Show, while also offering students the chance to cut their teeth in classical theatre in productions including Antigone.

With facilities including technical lighting rigs, fully operational recording studios, and superb dance studios, you'll have everything you need to make it big.

**"After completing my studies, I was approached by the Scarlett Entertainment agency, and was offered a role in a high school-themed musical. We went on to perform worldwide, and I'm now working on new productions. It's been a great opportunity, all thanks to the skills I gained at the College."**

**Student, Ryan Duscha**

# Teamwork and collaboration. Time management. Stamina. Self-awareness. Confidence.

## Five reasons to choose Performing Arts:

- 1** Support to develop a professional portfolio as well as performance opportunities, masterclasses, and trips.
- 2** You'll refine and consolidate your performance skills and audition techniques prior to auditioning for specialist training at university or conservatoire schools.
- 3** Work collaboratively with other creative students across College as you would in the industry.
- 4** Showcase your talents in the fully equipped College campus theatre.
- 5** Learn from a dedicated team of tutors with years of experience.

# Protective Services

Secure your future.

**Our Protective Services courses will help you enter one of the UK's fastest growing industries, whether you want to become a festival steward, club door supervisor, retail guard or CCTV operator.**

With a highly qualified and experienced teaching team who also currently work out in the industry, our staff have a broad range of skills and experience from working as a head doorman at large nightclubs, to management of retail security contracts and supervising events.

They all attend regular training conferences to update their skills and are always aware of the latest developments in the industry. We know what employers look for in potential employees, which is why we can help you to prepare for work and realise your true potential.

Your qualifications form just a small part of your learning with us. Our hand picked industry related courses are built upon with real work experience, trips and visits, and lectures from guest speakers. Students that have successfully completed the course have progressed into the industry with local, national, and international employers and our reputation for preparing young people to work in the industry is second to none.

**“My career in the Protective Services sector started in the year 2000 and has seen me work in various roles across the industry. I work with a team of extremely dedicated staff members at South Devon College. Having progressed through the industry, we are well placed to help you find employment in this fast-moving industry.”**

Staff, Jamie Somerville

# Professionalism. Integrity. Honesty. Reliability. Punctuality. Empathy. Responsibility. Leadership.

## Five reasons to choose Protective Services:

- 1** Staff are highly experienced and still active in the industry.
- 2** We work with local and national employers who provide work experience opportunities.
- 3** Guest lectures from industry experts.
- 4** Unique study programmes that contain a range of nationally recognised qualifications.
- 5** Outstanding resources, stimulating activities, and placements to build practical skills and knowledge.

# Uniformed Public Services

Be the best.

**Our courses will help you prepare for a career in the uniformed public services. You'll learn from experienced servicemen and women who know what it takes to gain employment in the emergency services or armed forces.**

Our highly qualified teaching team have many years of emergency and military service experience and have served in Northern Ireland, Iraq and Afghanistan, as well as many locations around the UK.

Our team have worked as submariners, helicopter aircraft mechanics, infantry, and police, which means they're perfectly placed to advise you in your career. From experience, they also know what it takes to succeed. They'll help you prepare physically and mentally for your chosen career, whether that's in the emergency services or armed forces.

The vocational experiences we provide and the knowledge of our teaching staff is exceptional, and our contacts with relevant employers are unparalleled.

We encourage you to stretch yourself, and together, help you achieve and exceed your potential. So apply today and see what you're truly capable of.

**"I live in Cornwall and chose to commute to South Devon College because the lecturers' passion and the Uniformed Public Services course impressed me the most. After an incredible first year I decided to try a College closer to home but after a week I realised my mistake and returned to South Devon College!"**

Student, Caitlyn Bunkum

# Leadership. Teamwork. Reliability. Responsibility. Respect. Resilience. Honesty.

## Five reasons to choose Uniformed Public Services:

- 1** Take part in a four-day boot camp, providing a unique opportunity to sample life in a uniformed public services career.
- 2** Opportunities to visit uniformed public services establishments, such as RAF Brize Norton.
- 3** You'll spend one day a week taking part in adventurous outdoor activities.
- 4** You'll develop leadership, self-discipline, core values, and employability skills.
- 5** Improve your own health and fitness.

# Animal and Land Based Studies

Go wild.

**Our Animal Care and Management courses will allow you to develop as a leading professional with a passion for animals.**

These studies will see you learning from our team of expert teaching staff and benefit from our partnerships with Paignton Zoo and Blue Cross, as well as many other employers in the sector.

Working with our animals – which include small mammals, reptiles, amphibians, livestock, and zoo species – you'll cover topics from animal handling and biology to behaviour and health. Together, you'll be fully prepared for employment in a range of jobs and roles including veterinary nursing or working in zoos and rescue centres.

We also take great pride in our expert staff members, facilities, and resources for our land-based programmes, including gardens and a conservation area. Visiting places like the Eden Project or National Trust gardens, you'll gain experience and find out what exciting career paths you can take in this sector.

With progression opportunities to further study or a wide range of career options, whatever your goals or ambitions are in the animal care or land-based industry, we've got the right course for you.

**"I've been a veterinary nurse for 17 years and have managed two surgeries, working in Paignton and Bristol, as well as in Cape Town, South Africa. I love watching students grow in confidence, and there's no greater pleasure than seeing individuals develop into experienced professionals with an exciting future ahead of them."**

**Staff, Donna Fowler**

## Five reasons to choose Animal and Land Based Studies:

- 1 Opportunity to work with a wide range of animals.
- 2 Develop skills in real workplace environments.
- 3 Industry-level work experience opportunities.
- 4 Progression to degree level.
- 5 Excellent facilities and resources to support learning.

# Applied Science

Ignite your curiosity.

**If you have a burning passion for science, at South Devon College, we offer a range of courses to help you gain the skills and knowledge you need to move into employment in the scientific sector.**

Covering a range of topic areas and disciplines, the Applied Science course allows every student the chance to make an informed decision about their progression.

While our superb science lab facilities and resources will give you a high-quality, varied, and practical learning experience, you'll get the opportunity to progress onto undergraduate degree programmes, including foundation degrees in Bioscience and Animal Science, and even top up your learning with a BSc in Applied Animal

Science at University Centre South Devon. And if you'd rather earn while you learn, the Applied Science BTEC qualification can also be completed as part of a Laboratory Technician Apprenticeship.

**“South Devon College has excellent facilities. I aim to keep my lessons engaging and interesting, and having access to the most up-to-date equipment and resources helps to engage students in a variety of ways.”**

Staff, Matt Rosin

# Attention to detail. Good practical skills. Logical and analytical skills. Verbal communication.

## Five reasons to choose Science:

- 1** Work on a mixture of practical and theoretical projects.
- 2** Progress onto higher education and gain degree-level qualifications.
- 3** Opens the door to well-paid careers.
- 4** Access to excellent laboratory facilities and resources.
- 5** Start earning with paid apprenticeship opportunities.

- You must have achieved a Merit in an appropriate technical qualification at Level 3 (64 UCAS points)
- You should be in an appropriate job role for your apprenticeship

# Children, Young People, and Education

Inspire the children of our future.

**Working with young children leads to a rewarding and fulfilling career, and a course at South Devon College is the perfect way to equip you with the knowledge and skills to make a lasting, positive difference in someone's life.**

Our courses are delivered by professional and enthusiastic practitioners who provide a learning environment that will help you succeed. In addition to the skills you develop, our Childcare courses also offer recognised qualifications that will help you to gain employment in settings such as nurseries, pre-schools, and children's centres. Our courses cover engaging themes, such as child health, theories of play and learning, and safeguarding.

To help you develop the qualities and skills employers seek, you'll undertake a placement that complements your studies, and provides valuable experience in a real working environment.

We also have university level degrees in Childcare, so whatever your goals or ambitions are, you can go on to have an enriching career by studying with us.

**"I chose to study here because it's an excellent College. It's close to home, which saves me money – not just on transport but, potentially, university fees. I was delighted to complete the Level 3 Diploma, which was thanks to the help of all the lecturers and staff, who provided a fantastic amount of support."**

Student, Rebecca Northway

## Five reasons to choose Children, Young People, and Education:

- 1 Highly experienced and vocationally trained staff team.
- 2 Wealth of employers to draw on for placement experience.
- 3 Our on-site nursery, Mama Bear's, is rated outstanding by Ofsted.
- 4 Dedicated specialist childcare facilities to help develop practical skills.
- 5 Opportunities to work with local nurseries and schools in a range of community projects.

# Health and Care

Make a difference.

**Are you looking for a rewarding career that allows you to help and support others? If so, a Health and Care course could be perfect for you, and will help start your career in a growing industry with a variety of pathways.**

Our wide range of Health and Care programmes will help you to take the first step in your future career. This could be a clinical pathway such as nursing, midwifery, or as an assistant practitioner, or in a social care pathway such as social and support work.

All of our courses give you the opportunity of a vocational placement within the local area. These placements support you with the practical aspect of your course, developing excellent employability skills.

You'll be taught by a team of qualified staff with years of professional experience in the health and care sector. We have a state-of-the-art practical skills centre to support your learning in a variety of areas, as well as equipment that develops the skills necessary for working in a clinical environment such as a hospital, or in the community within the social sector.

**“While studying at the College I qualified for the UK Squad for WorldSkills 2019, which has been fantastic. I’ve gained invaluable experience and insight of the theory and practical skills required to progress into a career in Paramedic Science.”**

**Student, Emily Bonner**

## Five reasons to choose Health and Care:

- 1** Skills that are highly sought after in the industry.
- 2** Supported placement opportunities, potentially leading to employment.
- 3** Weekly practical skills sessions taught by current practitioners.
- 4** Opportunities to progress to degree level study within the College.
- 5** Showcase of skills on an annual basis in the College team.

# Social Sciences

Be supportive.

**If you have a passion for understanding human behaviour – such as crime, memory, and mental health – then social sciences can be the perfect choice for you.**

These qualifications balance theoretical and practical study, giving you the tools and knowledge to succeed in this rewarding sector.

Some of the units that you'll study across the various courses on offer include psychological theory, crime scene assessment, criminological theory, and educational policy.

This would suit individuals who are interested in pursuing careers in Teaching, Social Work, Speech and Language Therapy, Counselling, Educational Psychology, Marketing, Psychology, Youth Offending, and many other careers.

Once you've completed your course, you could consider progressing onto higher education at University Centre South Devon or another university.

**"I achieved my bachelor's degree in Criminology with Sociology at Middlesex University, and I went on to study my PGCE with Plymouth University based at South Devon College. During this time I taught at the College as part of my placement which gave me an insight into the supportive environment that is offered here."**

**Hannah Davies, Social Science Lecturer**

# Communication skills. Interpersonal skills. Organisational skills. Empathy. Patience. Flexibility.

## Five reasons to choose Social Sciences:

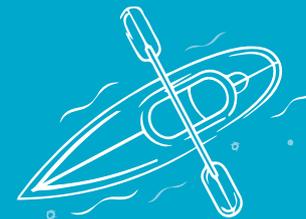

- 1** Taught by highly qualified and vocationally experienced staff team.
- 2** Progression routes to a variety of degrees and higher level apprenticeships.
- 3** Excellent opportunities for related work placement and Duke of Edinburgh Awards.
- 4** Excellent facilities and resources to support learning.
- 5** Wide range of career options available.

# Adventure Sports

A lifetime of adventures.

**An Adventure Sports course at South Devon College will get your adrenaline pumping and help you take your first step towards an exciting and dynamic career that could take you all over the world.**

With access to a wide range of unparalleled activities and equipment, you'll gain the key skills that employers look for in activity instruction, expedition leading, risk management, and coaching. Working alongside our highly qualified and experienced coaches, you'll develop skills in leadership, communication and team work, while building your confidence, creativity, and initiative.

Once you have completed your course, you'll have a unique skill set that prepares you for a variety of jobs in the outdoor industry, with previous students having gained employment not only in the UK, but in France, Italy, Spain and the USA. This skill set is also adaptable to a number of other career paths that require dynamic thinking, risk management, decision making, and excellent team working capabilities.

United Nations  
Educational, Scientific and  
Cultural Organization

English Riviera  
UNESCO  
Global Geopark

We offer an exciting and supportive learning environment, with trips scheduled throughout the UK and Europe, as well as regular studying in the English Riviera UNESCO Global Geopark to enhance your learning.

**"I began my journey studying on the Adventure Sports course here at South Devon College. The course provided a foundation of practical and theoretical skills, which allowed me to launch an exciting and rewarding career in different locations around the UK and abroad."**

**Staff, Andy Bennett**

# Leadership. Coaching. Dynamic decision-making. Communication. Personal organisation.

## Five reasons to choose Adventure Sports:

- 1** Highly qualified and experienced staff, high-quality equipment, and one of the highest levels of practical content than any other equivalent course in the country.
- 2** Successful progression to employment
- 3** Strong links with industry and employers.
- 4** Unique opportunities through enrichment trips - e.g. the French Alps whitewater kayaking trip.
- 5** The skills you develop could lead to a variety of careers anywhere in the world.

# Sports Science, Coaching, and Fitness

**Sleep. Eat. Sweat. Repeat.**

**Are you an active person who is always on the move and just has to be doing something? If so, we have the perfect course for you.**

**PRO:DIRECT**  
ACADEMY

We offer sports development and coaching programmes, as well as various sports science or health and fitness courses. We involve employers from across Torbay and South Devon in our curriculum and we are also a centre of excellence for Sports Leaders awards, so you can be sure you're gaining the relevant skills for employment.

Alongside learning from our passionate teachers and coaches, who all have years of professional experience, you'll have plenty of opportunities to experience live sport in

some of the world's best sporting venues, such as world-class tennis at the O2 or visiting Camp Nou - the home of FC Barcelona\*.

So, if you want to develop your raw talent, learn how to coach others, progress to university, or promote healthy living, apply with us today and don't look back.

\* Examples of previous trips

**"The Football Development Programme gave me the skills and knowledge needed to progress onto a Level 3 School Sport and PE Apprenticeship. I hope to study the Foundation Degree in Sport, Coaching, and Fitness at University Centre South Devon whilst working part time in the Sports Department as a member of staff."**

**Student, Austen Booth**

# Problem solving skills. Working independently and within a team. Communication skills. Dedication to succeed.

## Five reasons to choose Sports Science, Coaching and Fitness:

- 1** We work with the renowned Pro:Direct Academy.
- 2** Use of the brand new South Devon College Sports Centre and on-site gym.
- 3** Expert staff with valuable local community links.
- 4** Plenty of opportunities to progress into a wide range of sports-based careers.
- 5** Essential industry relevant qualifications.

# Supported Learning Opportunities

Discover new possibilities.

**The Supported Learning Opportunities programme has been developed for students with learning difficulties. It offers a laddered progression route to help prepare you for life after your studies or other College courses.**

During your studies, you'll gain a broad range of skills in areas such as English, maths, computing, personal development, and employability. All of our Entry Level courses include work placements or realistic work simulations, designed in partnership with local employers, ensuring you gain valuable, practical experience.

We offer small and supportive learning groups with a comprehensive range of support programmes. Learning support assistants are an integral part of each class,

and you'll benefit from discrete teaching areas in the heart of the College, as well as specialist vocational facilities.

Many students progress from Supported Learning Opportunities programmes onto mainstream College courses, while others move onto employability courses. With a dedicated support network, we can help you to develop personally and achieve your goals.

**"I was one of the first students to join the Aspire Supported Internship and gained work experience in different departments at Torbay Hospital. My experiences and the skills I learnt helped me then gain employment with the NHS at St Edmunds Community Care Support Centre."**

Student, Emily Bayly

# Teamwork. Transferable skills. Employability. Independence. Communication.

## Five reasons to choose Supported Learning Opportunities:

- 1** Learn skills in a broad range of key subject areas including English and maths.
- 2** Various workplace opportunities to gain practical experience and enhance future employability.
- 3** Tailored learning groups suited to meet individual needs.
- 4** Use of modern vocational College facilities.
- 5** Specialist study to prepare students for life after College.

**For the most up to date information, including entry requirements, please visit:  
[southdevon.ac.uk](http://southdevon.ac.uk)**
