

PREPARATION FOR HIGHER EDUCATION

This workshop is funded by the European Social Fund Hidden Talent in Devon project.

Thursday 9th January 2020
5.15pm – 6.45pm
University Centre South Devon

This workshop aims to support your professional development and your understanding of higher education by explaining what is available at University Centre South Devon (UCSD), as well as preparing you with some academic skills necessary for degree level study and working in a professional setting, such as research and critical thinking.

The workshop is suitable if you wish to gain a greater understanding of what is involved in higher education and what UCSD can offer, or if you would like to improve your research and critical thinking skills.

What will I learn?

- ▼ Why study higher education?
- ▼ Applying for higher education
- ▼ Fees, funding and bursaries
- ▼ Academic skills including research and critical thinking
